MedData OneTouch®

Our integrated service line approach allows traditionally siloed services to work together as a single, unified solution, ensuring a single touchpoint for patients and faster resolution and recovery for our clients. We work with each client to understand their specific needs and build a solution strategy that will deliver optimal results.

Eligibility & Disability

Complete screening and compassionate advocacy designed to find maximum coverage from more than 2,000 state, federal, and local programs for all patients.

Out-of-State Eligibility

20+ years of legal oversight experience in all 50 states and 350+ Medicaid payer profiles.

TPL/Injury Accounts

Expert billing & legal teams resolve all claims in their entirety to mitigate compliance and revenue risks for Workers' Comp and Liability (Auto) accounts.

Veterans Administration

Deep understanding of VA billing, appeals, aging, high dollar, etc., and personal connections to VISNs nationwide.

Patient Responsibility/ Early Out

Dedicated U.S.-based call center focused on patient education and first-call resolution to increase collections.

Coordination of Benefits (COB) Denials

Focused engagement process for denials requiring the patient's and/or subscriber's involvement in order to secure resolution.

Accounts Receivable Services (ARS)

Dedicated team to meet client-specific A/R goals and strategy. Full-service, AR billing and insurance follow-up – including small balance, legacy conversions and project-specific aged A/R work down.
